We all Like to think that we understand  
the Bible and that reading and it is simple.

This course helps us dig deeper into  
scripture with the idea of covenant at the  
heart of both Old and New Testaments

The Bible is still by far the best selling  
book worldwide and one of the most  
influential books in the world

Three key questions are considered during  
the course:

What is the Bible?

How was the Bible given to us?

How should we. read the Bible?

I will buy some copies of the booklet for  
this course that people can purchase (for  
£5.00) if they wish
