

# St Johns Tots

## Information

Welcome to St Johns Tots. As the name suggests we are a group of parents/guardians and toddlers (0-4 years) who meet to enable the children to have a fun time playing, listening to stories, singing, doing crafts and having refreshments. The adults are able to share a different environment with them and also enjoy a chat and tea/coffee.

We open on Tuesday mornings during school terms from 9.30am to 11.00am.

We would like to ask you to bear the following points in mind:-

- On arrival please make sure that you close all doors behind you, particularly the outside door leading to the lobby of the hall so as to avoid any child escaping.
- Please ensure that you sign in on arrival.
- The church hall and toilets are not cleaned on a daily basis and we would therefore ask that you take dirty nappies home with you
- You are requested to manage your child's allergies and other medical conditions and to notify the organisers if you have any problems/concerns.
- We are mindful of the safety of the group at all times and request that extreme care is taken when handling hot drinks.
- During the colder months, the radiators in the hall will be on. Please be aware that they do become very hot, and that supervising your child around them is your responsibility.
- We are pleased to supply this facility and whilst we have attempted to make it as safe as possible, the very nature of children's play means accidents can happen. We cannot, therefore accept responsibility for injury to children whilst using the play areas.
- You are responsible for the supervision of your child[ren] at all times.

Ideas and suggestions for the group are always welcome.
